Friends of the Charleston Center (FOCC)

October 17, 2016

Our Mission: To support the Charleston Center in building healthier lives free from alcohol and other drug related consequences.

Our Vision: To be an integrated component of the Charleston Center that effectively promotes community awareness of services and connects clients to available resources.

Attendees: Greg Payton, Albert McQueen, Randy Coats, Wanda Lu Paxton, Debbie Collins and Woodie Avery

We approved the Agenda for this meeting and the Minutes from Sept. 12th meeting.

Dr. Chanda Brown was unable to attend. Debbie Collins shared the procedures followed for evacuation of clients and children for Hurricane Matthew.

We tabled Terry Brown's report on our non-profit status, discussion on Committee Chair open positions, Contacts w/ community partners, and the Spring Yoga Event.

Oyster Roast: Woodie reported that John Cato said everything is scheduled and on track for our Nov. 13th event. Wanda Lu made a correction on our flyer by taking the Food Trucks off the event flyer. We discussed music for the event and Wanda Lu is going to contact musicians for the event. She also will work on Press Releases for our event. Tickets for the event were distributed to

Wendy, Wanda Lu, Greg, Albert, Randy, John Cato and Woodie. (25 each). We each agreed to arrive at the event 12 noon. Angie is working on setting up a Recovery information table for the event and has offered her support to John Cato for the Frisbee Golf event if needed. John Cato had mentioned to me that the staff from Sewee Outpost have another event that day and will be unable to help us set up. I have sent him a request to find out if the musicians will need to use their sound system or if the musicians should bring their own.

The meeting adjourned at 5:15pm
